

ABSTRAKT

Title of project: SK Jičín's Football Club History

Thesis goals: The main goal of my bachelor's thesis is to capture the founding and course of development of our football club SK Jičín. I focused on history of the town Jičín in the first part of my Bachelor's thesis. In addition to this topic I depicted the development of sports in Jičín.

The main part is focused on the founding of the football club SK Jičín and its course since 1998 up till present days. My work also points out the implementation of SK Jičín in the context of Czech (Czechoslovakian) football and its importance in social life in Jičín.

Key words: Football, the Czech Republic, Jičín
